

Motion Principles

3-Game

Ideal 3-Out Spacing: Point and wings - High and wide! Posts occupy the landmarks.

Motion Principles

4-Game

Ideal 4-Out Spacing: High and wide, square the top around a single post. Ball high - Post high. Ball low - Post low.

Motion Principles

Basket Cut

Ball high (1), post high:

1 passes to 2 and basket cuts (Very similar to our Quick break).

Motion Principles

Basket Cut

Ball low (2), post low (landmark).

1 continues his cut and empties out away from the ball.

5 dives (secondary cut) to the landmark.

4 and 3 fill accordingly.

Motion Principles

Flare Screen

2-Man Game Weakside Options:
4 passes to 3.
2 flare screens for 4.

Motion Principles

Flare Screen

Key to motion is reading the defense with screening game.

1st Cut Series: As 4 uses the screen he reads the defense and makes the appropriate cut.

2nd Cut Series: After 2 sets the screen he reads his teammate (4) and goes opposite.

Stagger rule applies if 3 passes to 1.

Motion Principles

Down Screen

2-Man Game Weakside Options:
4 passes to 3.
4 down screens for 1.

Motion Principles

Down Screen

Key to motion is reading the defense:

1st Cut Series: As 1 uses the screen he reads the defense and makes the appropriate cut.

2nd Cut Series: After 4 sets the screen he reads his teammate (1) and goes opposite.

Motion Principles

Back Screen

2-Man Game Weakside Options:

2 passes to 3.

5 back screens for 2 (creating slice action).

Motion Principles

Back Screen

Key to motion is reading the defense:

1st Cut Series: As 2 uses the screen he reads the defense and makes the appropriate cut.

2nd Cut Series: After 5 sets the screen he reads his teammate (2) and goes opposite.

Motion Principles

Pin Down

Similar to a down screen is a pin down. 2 must walk away and "wear the hat". Meanwhile, 5 sprints to screen. Often, this action occurs simultaneously on both sides out of an odd front.

Motion Principles

Pin Down

Key to motion is reading the defense:

1st Cut Series: As 2 uses the screen he reads the defense and makes the appropriate cut.

2nd Cut Series: After 5 sets the screen he posts up strong.

Motion Principles

Stagger Rule

Stagger Rule: Two consecutive screens for one player. 2nd screener (4) is never on the same plane as the 1st screener (3).

Motion Principles

Stagger Rule

Stagger Rule: Advanced action: 1st screener (3) immediately flare screens for 2nd screener (4).

Motion Principles

Split the Post Rule

Split the Post Rule: 2 feeds the post.

Motion Principles

Split the Post Rule

2 screens for the nearest perimeter player (1). 5 scores or passes to players (1&2) cutting.

Motion Principles

Dribble Drive

Dribble Drive from the Wing to Baseline:

2 drives and 1 cracks-back.

3 remains parallel to the ball and drifts to the dead corner.

5 I-cuts (T-ups) and 4 fills diagonal.

Motion Principles

Dribble Drive

Dribble Drive from the Wing to Middle:

2 drives and 1 cracks-back.

3 remains parallel to the ball and drifts to the dead corner.

5 I-cuts and 4 fills diagonal.

Motion Principles

Dribble Drive

Split the Post Rule: 2 feeds the post.

Motion Principles

Dribble Drive

Split the Post Rule: 2 feeds the post.

Motion Principles

5-Game

Ideal 5-Out Spacing: When in doubt, space out! Emphasize "BIG SPACING" outside the arc.

Motion Principles

5-Game

Primary Motion Cut: Basket Cut! (a.k.a. Give & Go)

***Always encourage the "point guard" to favor the lane line (extended) to shorten his pass.

Motion Principles

5-Game

Get Open or Get Out: The cutter, in this case 1, has the option to post. But if he is not open he needs to get out (GO-GO). Meanwhile, 3 must fill.

Motion Principles

5-Game

Ball change with motion is very important! 3 passes to 5 and the following options present themselves: 2 and 4 are currently engaged in a wide pin down. 3 basket cuts. GO-GO!
